I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I have used my compounded medication
for two years to alleviate symptoms of menopause.
Prior to the use of these compounded
meds - which were adjusted for my
specific needs I was on Premarin which
is a One for all med.

Thank you
